

**What:** Tour a precious metal recycling facility and learn how the smelting of precious metals and assaying process works by seeing it first-hand. This tour is mainly geared towards crematory owners and operators. A special discount may be available for owners and operators of crematories looking to take this tour. Contact Elizabeth Goins at [egoins@fdsachicago.com](mailto:egoins@fdsachicago.com) for more details.

The tours will run for roughly one hour and ongoing Q&A is welcomed and encouraged.

**Where:** Mid-States Recycling & Refining  
1841 Busse Hwy  
Des Plaines, IL 60016

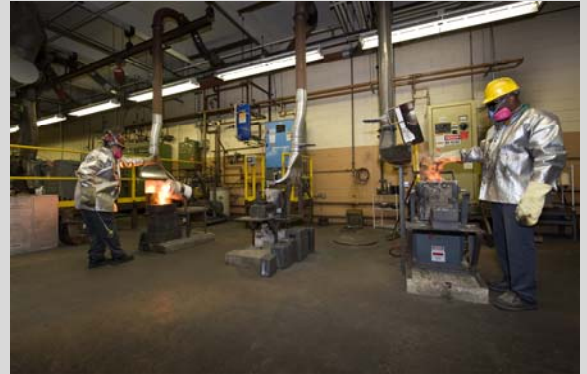

**When:** August 3, 2018 from 10 A.M.-1 P.M.

**Cost:** \$10

### Course Objectives

Through this CE presentation participants will:

1. Learn about the security measures taken at a precious metal recycling facility, the check-in process, preparation and smelting of precious metals and finally sampling and assaying.

### About the Speakers

The tour host will be Kevin McKay or Jack Brown. Kevin has been in the precious metal recycling field since 2001 and is an expert as it relates to dental material. He has been published numerous times in dental periodicals outlining the process that will be discussed in the tour. Jack Brown is the owner of Mid-States Recycling and has extensive knowledge in all aspects of precious and non-precious metals. He has been in the business for nearly 40 years. To learn more about Mid-States Recycling visit their website: [www.cremationrecycling.com](http://www.cremationrecycling.com).
